My Space in the Garage ...

By Judy Holman

Several of my cars will be coming out of the garage to cruise to the Clinton Highway Cruise In (behind the Advance Auto) on Saturday June 21. Club members and friends will meet at the Joe Neubert Paint & Body Shop parking lot at 3:30pm. We want to make a Mopar showing. Come out and join us. Remember to bring your lawn chairs and stay awhile. The Power Tour is coming to Knoxville on Sunday, June 8. The cruise will be coming in from Charlotte, NC. They will be at Chilhowee Park from noon until 7:00pm. Spectators are free. Register your car and show it that day for \$30. Mike and I are thinking about entering one of our cars for the day. What a great opportunity for Knoxville and all car folks in East Tennessee.

Mike and I just returned from a wonderful week on the island of Ocracoke, NC. To get to this island, you must ride the NC Ferry. On our way to dinner one evening, the evening ferry docked and 3 awesome Dodge Power Wagons came cruising down Highway 12. I couldn't get my camera out fast enough to get a picture. These trucks turned a lot of heads!

There is no doubt, we are definitely in car show mode. John has done a fantastic job arranging and detailing everything to do with this years 26th Annual "Fun In The Sun" All Mopar Car Show. To add to John's car show article, remember that club members have a choice at the show. If you bring your Mopar, members are asked to park their cars around the flag pole - back them in. You may put your car on display or register for the show and have it judged. Remember door prizes for the "kids". They really look forward to winning something just like the grown ups. Also, items for our Dollar Bill races are needed. All items are due by July 15 at the workers meeting.

This months regular club meeting is at Chilhowee Park (this Saturday). Car show layout will be determined and questions answered. Hope to see everyone Saturday night at 6:30pm.

“Fun In The Sun” by John Foster, Car Show Director

Hello club members, the 26th Annual “Fun In The Sun” All Mopar Car Show is almost here with only about 6 weeks to go. Much work has been done to get ready, but a lot of work still remains and we need everyone’s help as we as we close in on the final weeks.

Most of the job positions for the day of the show have been filled and I am grateful to all of you that have volunteered to help out. If you have not volunteered yet for a position, we still need you and each position is only a 4 hour shift.

It is very important that all members attend our monthly meeting on Saturday evening, June 7th at 6:30 PM at the bandstand in Chilhowee Park. I am really excited about our new T-shirt design featuring the 50th Anniversary of the “Hemi”, and it will be ready for our meeting to review and discuss any changes we want. Final approvals will be made no later than June 21st Cruise In or June 26th Board meeting.

We will be placing the order for the Trophies this week as well and need any remaining trophy sponsor’s names and money at the meeting on June 7th. Same holds true for any T-shirt sponsors.

Door prizes and goodie bag items – Due by Tuesday July 15th. Please don’t forget to get a business card from each business so that we can announce their name and thank them during the show as a sponsor.

Reminders:

July 15th (Tuesday) Workers meeting at Chilhowee Park at 7:30 PM at the bandstand. Very important to attend.

July 19th (Saturday) Day of the Show – All members are asked to be at Chilhowee Park at 6:00 AM to help with the show set up. Please remember to wear your ETM club T-shirt.

Lastly, I want to say thanks again to all that have worked so hard to pull things together to make this year’s show another success, and for all the sponsors who make it possible, and for all the car show participants that make it worthwhile. Our “50th Anniversary of the Hemi” All Mopar Car Show is going to be the best ever!

Editor's Notes

By Judy Holman

Please keep club members, Carroll & Pat Bales in your thoughts and prayers. Carroll's brother passed away last weekend.

Well, retirement has begun - I think! Nothing has slowed down. Matter of fact I'm busier than ever. Getting household jobs lined up, purging school "stuff", collecting car show door prizes and sponsorships has been keeping me on the go since I've returned from vacation. Not much has been done to my cars since the last newsletter. Hopefully that will change this weekend with the Power Tour in town. Definitely for the cruise in on Saturday, June 21. Several club members have mentioned local car shows happening through the summer months. Please send me info on these shows so I may list them and members can attend. The newsletter has had no For Sale/Want Ads in several months. This page will be dropped next month. I will bring it back when items need to be listed. Enjoy the weather and go cruising! Until next month ...

*This is a reminder to all club members, when renewing your membership, please fill out a club application and send it with your money. **Check your address label for your renewal date.** **For the club members who receive their newsletter via e-mail, I will remind you of your renewal date.** This helps to keep our records accurate.

*If you know of a local car show or cruise in or receive a flyer from a Mopar show, let me know. Let's spread the word about a great family outing - a car show!
